Re: Spanish to English document translations - Genaro Hernandez.

I, Fatima-Zahra Fahmi of Canada Immigration International, hereby attest to the fact that I have used the document translation services offered by Mr. Genaro Hernandez, of 2621 Keele St., Toronto in the month of June, 2008.

The translated documents were accurate and readily accepted by immigration authorities in seeking landed immigrant status for one of my clients.

I would highly recommend Mr. Hernandez to anyone who is in need of this type of service, and would not hesitate to offer this reference if contacted personally.

Sincerely,

Fatima-Zahra Fahmi
